

# South Africa's **ONE STOP PREEMIE SHOP**

Do you have a baby in the NICU ?  
Expecting a preemie or know someone  
who is a Preemie parent ?

Preemie parents shouldn't have to run around  
trying to find essentials for their baby  
or having to make do with products not suitable  
for preemie babies.

And when family and friends are buying gifts for  
NICU babies and their parents,  
they need to know they are buying products  
that will truly work for the unique environment of the NICU.
